PROJECT OVERVIEW · 9 NOV 2026

OfferPath India

Affiliate, refer-and-earn and student offers in one place — users earn real rupees on every purchase. Owner: Moka Seshu

1. Live links

WHAT	LINK
Live website (GitHub Pages)	https://mokaseshu.github.io/MOKA/offerpath/
GitHub code	https://github.com/mokaseshu/MOKA/tree/main/offerpath
Claude version of the site	claude.ai/code/artifact/fc01755a-8530-461d-bb61-7bea8c4ded1a
Growth Guide	claude.ai/code/artifact/24ce1a35-...
Growth & Earnings Guide	claude.ai/code/artifact/1095024e-...
Build Plan: Beating the Big 20	claude.ai/code/artifact/a5552729-...
Rewards Backend Plan	claude.ai/code/artifact/80147537-...
Toolkit (GitHub + Hugging Face)	claude.ai/code/artifact/ec0d8a83-...
Affiliate Programs Tracker (25)	claude.ai/code/artifact/4e49c491-...
India Offers Guide 2026	claude.ai/code/artifact/b67f74dd-...

Claude links open only for you until you set each one to "anyone with the link" from its Share menu. The GitHub Pages link opens for everyone.

2. What is already built

Home — hero, featured offers, browse by category, popular student offers

All offers — 1,895 offers with search, category, type and sort filters

Offer details — steps, verified date, disclosure, report a problem

Student checker — finds the offers a student qualifies for

Saved — bookmark any offer

Refer & earn wallet — referral code,

balance, history

Admin — add and manage offers

English + Telugu, light and dark mode, mobile-ready

3. Business model (decided)

RULE	DETAIL
Join	Free, EarnKaro-style
Commission split *(internal only)*	OfferPath 30% · User 60% · Referrer 10%
Signup bonus	₹100
Referral bonus	₹50 one time per account, after 5 referred friends each earn ≥ ₹100 commission
Withdrawal	First at ₹500 after approval, then weekly payouts
Privacy of margins	Users see only rupee earnings — never the split or profit %
Programs	Direct brand affiliate programs, no EarnKaro-type middlemen; start with a few, add more once traffic is regular

4. Everything still to do

#	TASK	STATUS
1	Put OfferPath on GitHub Pages	Done
2	Buy a domain (offerpath.in or similar) and point it to the site	To do
3	Join the first direct affiliate programs from the 25-program tracker and swap in real tracking links	To do
4	Replace demo offers with checked real offers, dated	To do
5	Add real login (phone OTP / Google) and a database for users and wallets	To do
6	Build the rewards backend: click tracking, commission import, 30/60/10 split, ₹100 and ₹50 bonuses	To do
7	Payouts: ₹500 first withdrawal with approval, weekly UPI payouts	To do
8	Fraud checks: one account per phone, referral rules, admin approval	To do
9	More categories and better search	To do
10	Legal pages: privacy, terms, affiliate disclosure	To do
11	SEO: page titles, sitemap, Google Search Console	To do
12	Automation: offer link checker, daily new-offer posts, WhatsApp/Telegram alerts	To do
13	AI helper from the Toolkit: offer finder chat in English and Telugu	To do
14	Marketing: Instagram reels, college WhatsApp groups, student ambassadors	To do
15	Mobile app (PWA first, Play Store later)	To do

5. 30-day launch order

1. **Week 1:** domain, join 5–10 direct programs, real offers live, legal pages
2. **Week 2:** login + database, click tracking, wallet showing real balances
3. **Week 3:** referral system, bonuses, payout requests, fraud rules
4. **Week 4:** SEO, Instagram + college launch, first 1,000 users

6. Money targets

STAGE	USERS	ESTIMATED EARNINGS / MONTH
Year 1 start	10,000	≈ ₹5,000
Year 1 goal	1 lakh	≈ ₹60,000
Big scale	1 crore	≈ ₹64 lakh

Year-one build and running cost: about ₹15,000–27,000.
